## LIEBERMAN TO VISIT WEIR FARM on 8/8

HARTFORD, CT- Senator Joe Lieberman will visit Weir Farm on Wednesday, August 8, 2012 from 11:15 AM-12:45 PM. The Senator will receive an update on Weir Farm's programs from Linda Cook, Superintendent of Weir Farm, and will view Weir Farm's expanded youth partnership program with inner-city Girl Scouts; Weir Farm received a \$10,000 grant from the National Park Foundation that has enabled the Bridgeport Girl Scouts to participate in this program. Afterwards, Senator Lieberman will sit down with members of the Weir Farm Art Center and staff from the Trust for Public Land to discuss the beginnings of Weir Farm, its improvements over the years, and the importance of conserving sites like Weir Farm. This event is open to members of the press.

In 1990, Senator Lieberman introduced and secured the passage of legislation that successfully established Weir Farm as a National Historic Site. The Senator has remained committed to assisting Weir Farm throughout his Senate career and recently redesignated a "Weir Farm" conference room in his Washington D.C. Senate office, which displays photographs from artist Xiomáro that document the interiors of the Weir House, Weir Studio, and the Mahonri Young Studio.
