### DESCRIPTION

Venue Phone: 516-826-9533  
New York photographer, Xiomaro (see-oh-MAH-ro), presents FractalScapes, highlighting the natural and manmade patterns appearing in water, sand, trees and architecture. Cutting edge theories in fractal geometry have inspired Xiomaro to develop an aesthetic for the elegance of small, abstract, iterative patterns appearing in landscapes and urbanscapes. Visit [www.xiomaro.com](http://www.xiomaro.com) for more details and for a free souvenir print  
Ages: All Ages  
Parking: Free street parking.  
Directions: Visit <http://www.thecupcoffeehouse.com/map> for directions.Registration: No
