The Other Side Slave Burial Ground, by Xiomaro.

### The Other Side

An opening reception for a photo exhibit of works by New York artist Xiomáro. The collection of 29 photographs will look at the William Floyd Estate in Mastic Beach, a National Park unit of the Fire Island National Seashore. At the heart of the collection are photographs of undated wooden crosses bearing generic slave names, set apart on the other side of a fence from the elaborate individualized stones of the Floyd family cemetery. The photographs serve as spiritual memorials to the laborers—both enslaved persons and paid house servants of color—who worked on the estate. Oyster Bay Historical Society, 20 Summit St., Oyster Bay.
