Mr. Richard Dieguez

Dear Mr. Dieguez:

Congratulations on having your work recognized as part of the 100-year celebration of the National Park Service. It is certainly well deserved given your passion for photography and nature and all of the time and effort that you spend on creating your beautiful art.

You serve as an inspiration to others and I hope that you will be met with continued success in your future endeavors.

Sincerely,

Michelle Schimel
Member of Assembly
