## 230TH EVACUATION DAY DINNER

Thank you to all who attended to this year's [Evacuation Day](#) Dinner. This year's Dinner took place in the Bissell Room of Fraunces Tavern Restaurant where 13 toasts were made by several of the Sons of the Revolution. In attendance were Xiomáro, the photographer of *William Floyd: House of Revolution*, who debuted two new pieces to the collection. 

The Dinner, hosted by the Sons of the Revolution in the State of New York, is a celebration of the British ending their 7-year occupation of New York.
