Spring 2016 New England Trail Newsletter

A quick update on New England Trail events and projects!

Photographing the NET: Xiomáro

Our [2016 NPS Centennial Artist in Residence](#) has been busy since our last update! Xio hosted a session about photography in nature at AMC's Annual Summit this January, talking to a full room about art, his work, and the NET. He also has been busy shooting the trail in Connecticut and Massachusetts. More of his recent photos can be found on [the NET Facebook page](#).
