TRA Journal Preview

The Winter-Spring-Summer 2015 issue of the *TRA Journal* is currently in production and will be mailed to all TRA members in September. This expanded issue will feature a photographic essay by Xiomáro on Sagamore Hill during the recent period of renovation, an article by TRA Advisory Board member Serge Ricard on TR, the United States, and early 20th century efforts at international arbitration and armaments limitation, a Forgotten Fragments column by TRA President Tweed Roosevelt on his trip to Brazil this spring, and much more. Do not forget that current and past *TRAJ* issues are **available online** as a members-only benefit.
